▶ **Calibration**

## EXCLUSIVE REPRESENTATIVES FOR:

### BROOKS® INSTRUMENT

- Thermal Mass Flow Meters
- Thermal Mass Flow Controllers
- Coriolis Flow Meters and Controllers

### DANIEL®

- Turbine Flow Meters
- Ultrasonic Flow Meters
- Control Valves
- Presets

### DELTA m

- Thermal Differential Switches for Mass Flow, Level and Temp
- Liquid and Gas Applications, Explosion Proof Housing, 3A

- Birotor Flow Meters
- Oval Gear Flow Meters
- Mechanical Batching Valves

- Closed Loop Sampling Systems
- Hazardous Liquids
- Carcinogens
- LPG's

### Bios

- Mercury Free
- Primary Piston Prover
- Flow Calibration Systems

### FMC Energy Systems

- Turbine Flow Meters
- Insertion Flow Meters
- Transmitters and Batch Controllers

- Pressure Regulators
- High Pressure Diaphragm Valves
- Vaporizers

### AW-LAKE COMPANY A TASI GROUP COMPANY

- Spur Gear Flow Meters
- Helical Gear Flow Meters
- Low Flow Turbine Meters
- Coriolis Meters

- Magnetic Level Gauges
- Sight Glasses
- Pump Setting Gauges

- Dry Level Instruments
- Paddle Switches
- Tuning Fork

- Clamp on Ultrasonic
- Flow Meters
- Flow Switches

## DISTRIBUTORS FOR:

### PyroMATION, INC. Quality in Every Degree™

- RTD's, Thermocouples
- Thermal Wells
- Temperature Transmitters

### NOSHOK

- Pressure Gauges
- Pressure Transducers
- Manifold Valves
- Diaphragm Seals

### INLINE BALL VALVE.COM

- Ball Valves, Multiports
- Sanitary and Valve Automation
- Butterfly Valves
- Needle Valves

### ROSEMOUNT®

- Magnetic Flow Meters
- Vortex Flow Meters
- Pressure Transmitters
- Radar Level Transmitters
- Ultrasonic Level

### HAM-LET Advanced Control Technology

- Double Ferrule Fittings
- Valves
- Flexible Tubing

- Calibration Services
- Fast Turnaround
- Thermal Mass Flow
- N.I.S.T Certified

- Coriolis Meters
- Transmitters
- Liquids and Gases

- Thermoplastic Valves
- Ball, Butterfly, Diaphragm, Globe Valves
- Electric and Pneumatic Actuation

## About Us

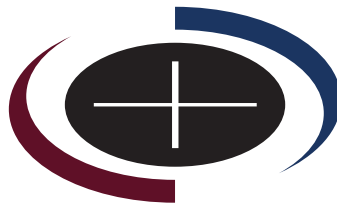

Control Plus Inc. was founded in 1988 as a manufacturer's representative specializing in process control instrumentation. Since that time we have worked hard to build a product offering that allows our customers to choose from a wide range of process solutions. We are a firm committed to continuous growth in our knowledge of the industries we serve and total customer satisfaction.

Control Plus Inc. proudly serves several states that include: Illinois, Wisconsin, Iowa, Indiana and Michigan.

## Mission Statement

To be the first people our customers think of when a process solution is needed. To earn that trust, we are committed to providing cutting-edge, high-quality products that will ensure complete customer satisfaction.

Thank you for the opportunity to meet your process solution needs. We look forward to working with you in the future.
