

BROOKS[®] INSTRUMENT

- Variable Area Flow Meters
- Thermal Mass Flow Controllers
- Coriolis Flow Meters and Controllers

- Spur Gear Flow Meters
- Helical Gear Flow Meters
- Low Flow Turbine Meters
- Coriolis Meters

- Ultrasonic flow meters
- Clamp-on transit time
- Portable and fixed

- Turbine Flow Meters
- Ultrasonic Flow Meters
- Control Valves
- Presets

- Magnetic Flow Meters
- Vortex Flow Meters
- Propeller Meters

- Turbine Flow Meters
- Insertion Flow Meters
- Transmitters and Batch Controllers

- Coriolis Meters
- Transmitters
- Liquids and Gases

- Venturi Flow Meters
- Orifice Plates
- Calibrated Meter Runs

- Ball Valves, Multiports
- Sanitary and Valve Automation
- Butterfly Valves
- Needle Valves

- Birotor Flow Meters
- Oval Gear Flow Meters
- Mechanical Batching Valves

- Magnetic Level Gauges
- Sight Glasses
- Pump Setting Gauges

- Double Ferrule Fittings
- Valves
- Flexible Tubing

- Closed Loop Sampling Systems
- Hazardous Liquids
- Carcinogens
- LPG's

- Pressure Gauges
- Pressure Transducers
- Manifold Valves
- Diaphragm Seals

- Dry Level Instruments
- Paddle Switches
- Tuning Fork

Bios

- Mercury Free
- Primary Piston Prover
- Flow Calibration Systems

- RTD's, Thermocouples
- Thermal Wells
- Temperature Transmitters

- Thermoplastic Valves
- Ball, Butterfly, Diaphragm Valves
- Electric and Pneumatic Actuation

- Thermal Differential Switches for Mass Flow, Level and Temp
- Liquid and Gas Applications, Explosion Proof Housing, 3A

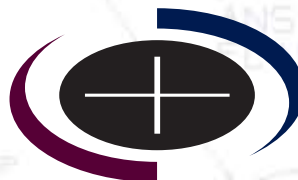

- Pressure Regulators
- High Pressure Diaphragm Valves
- Vaporizers

- Conveyors, Lifts
- Mixing/Blending Systems
- Storage Tanks, Pressure Vessels

ADDITIONAL PRODUCTS:

- Magnetic Flow Meters
- Vortex Flow Meters
- Pressure Transmitters
- Radar Level Transmitters
- Ultrasonic Level
- Coriolis Meters
- Rotameters
- Liquids and Gases
- Globe Valves
- Filters
