Since 1988, we’ve helped engineers and plant managers squeeze every ounce of productivity out of their flow, level, pressure, and temperature instrumentation, making their job easier, saving them money, and – perhaps most important – delivering peace of mind.

Control Plus offers precisely what you need – from the #1 brand to the lesser known, niche, or specialty products, and everything in between. Across the board, our products are accurate and durable.

Supplying high-quality instrumentation is only part of our goal. Equally important is our commitment to take care of our customers, no matter the need or size of the order.

**FLOW METERS**
- **BROOKS INSTRUMENT**
  - Coriolis Low Flow
  - Thermal Mass
  - Purge
  - Variable Area

**FLOW SWITCH**
- **DELTA M**
  - Thermal Differential

**Valves**
- **Daniel**
  - Control Valves
  - Piston, PSI Relief, Reducing

**SCHUBERT & SALZER**
- Angle Seat
- Sliding Gate
- Ball Sector

**SAFE HANDLING**
- **KENDO**
  - Sight Flow Indicator

**DENSITY**
- **Aveni Sense**
  - Density Meter
  - Gas or Liquid

**Temperature**
- **Noshok**
  - Bimetal Thermometer
  - Temperature Transmitter

**Pyromotion**
- Thermocouple Elements
- RTD Temperature Sensors
- Thermowell Assemblies

**Level Switch**
- **DELTA M**
  - Thermal Differential

**Level**
- **KENDO**
  - Sight Glass
  - Magnetic Level Gauge
  - Ultrasonic Gap Switch
  - Level Transmitters

**Level Switch**
- **DELTA M**
  - Thermal Differential

**Purging**
- **KENDO**
  - Sight Flow Indicator

**L&J TECHNOLOGIES**
- Radar
- Inventory Management
- Wireless Integration
- Tank Level Gauging
- Bulk Storage
- Float & Tape Gauges

**Temperature**
- **NoShok**
  - Mechanical PSI Gauges
  - Pressure Switches
  - Transducers
  - Manifolds

**AP TECH**
- Pressure Regulator
- Back Pressure Regulator
- Vaporizer

**Brooks Instrument**
- Pressure Controller
- Pressure Transmitter

**Daniel Measurement**
- Pressure Relief
- Surge Relief

**Process Systems**

**Furey Filter & Pump, Inc.**
We help customers design, engineer and build turnkey process system solutions. Skid Packages, Booster Pump, Chemical Feed, Petroleum Pipeline and Refinery.

**Calibration Services**
- **BROOKS INSTRUMENT**
  - Mass Flow, Mfg. Gas Panels

**KENDO**
- Pump Set Gauge, Cal. Pots

**Daniel Measurement**
- Compact Provers

**Filtration**
- **United Filtration**
  - Coalescing Filters, Housings
  - Compressed Air, Gas, Liquids

**Storage Tanks**
- Vertical or Horizontal
- Storage Tanks
- Pressure Vessels/Barrel Crushers
- Field Installation

**Shand & Jurs**
- Conservation Vents
- Safety Shut-off Vents
- Detonation Arresters
- Flame Arresters

**Sampling Systems**
- **Cobra Sampling**
  - Closed Loop Sample Systems
  - LPG, VTB, Resid, Sour Water Bottles, Caps & Septas

**Sentry Equipment**
- Closed Loop Sampling Systems
- Liquid & Gas Sample Panels
- Solid & Powder Samplers

**Safety Equipment**
- **Kenco**
  - Sight Glass
  - Magnetic Level Gauge
  - Ultrasonic Gap Switch
  - Level Transmitters

**L&J Technologies**
- Point Level
- Float, Tuning Fork, RF Capacitance, Ultrasonic

**Pressure**
- **NoShok**
  - Mechanical PSI Gauges
  - Pressure Switches
  - Transducers
  - Manifolds

**AP TECH**
- Pressure Regulator
- Back Pressure Regulator
- Vaporizer

**Brooks Instrument**
- Pressure Controller
